Sai Nisarg's second phase, by Dreamz Realty

Dreamz Realty has launched the second phase of Sai Nisarg - affordable second home plots in Shahapur - just a 10-minute drive from the Mumbai-Nashik Highway and about 90 minutes from Dadar (Mumbai). The company is offering plots in the size of 1,625 sq ft to 4,000sq ft etc. These are being offered at ₹325 per sq ft, which makes it possible for one to own a bungalow plot - near Mumbai - for as little as ₹5.25 lakh. Sai Nisarg is situated in Shahapur, which has been declared as Tourist Destination by Govt. of Maharashtra. The project is close to the famous Mahuligad and Jain Manas Mandir and the landscape has been divided into bungalow plots with an attempt to disturb the local eco-system as little as possible. Sai Nisarg is also close to the market area and just 15 minutes from Asangaon railway station and has facilities like a café/restaurant, grocery outlet and other utilities within the project site.
